THANKSGIVING DAY MASS

"the spirit of giving ..."

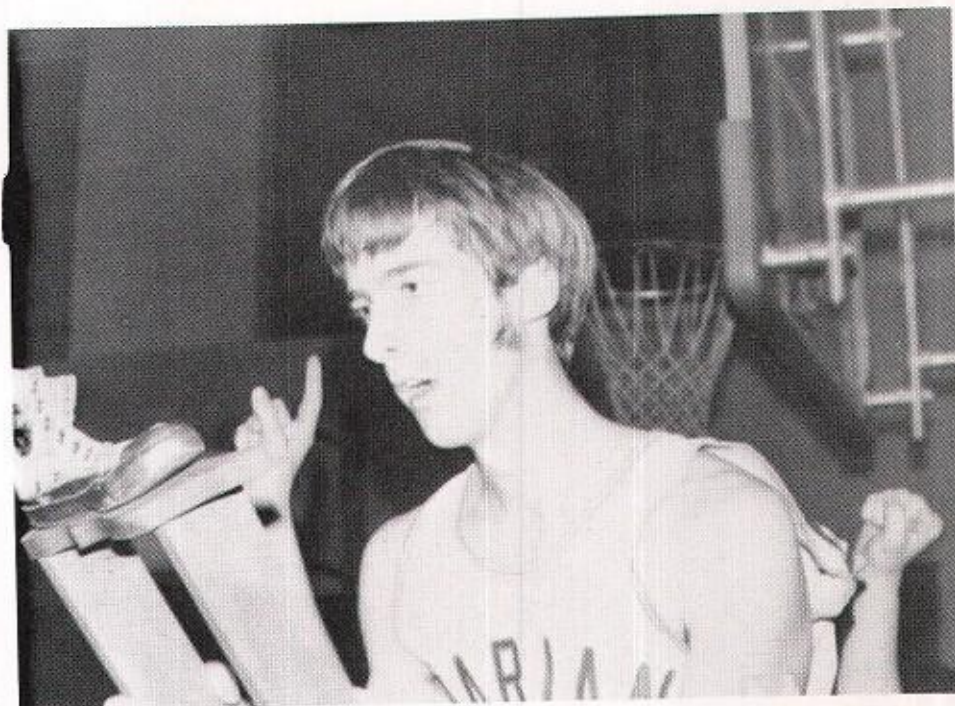

MARIAN IS UNIQUE IN MANY WAYS: FROM TAG DAY ...

... TO GUMPY NIGHT

At the Cathedral basketball game, a group of seniors known as Gompas' Gorillas staged the first annual "Gump Appreciation Night." The Gorillas displayed a great diversity of cheers, slogans, and posters in their tribute to "the people's choice" — Mike "Gomp" Harrah. The Gorilla Kazoo Band did its share in the evening's festivities by keeping the spirit of the crowd at a high level. The climax of the evening occurred with two minutes left to play when Gumpy entered the game to a tumultuous ovation. The fans cheered his every move and rushed onto the court when the game ended to present Mike with The Golden Sneaker Award, given in recognition of his dedication, spirit, and perseverance in light of his twelfth player's status on the team.

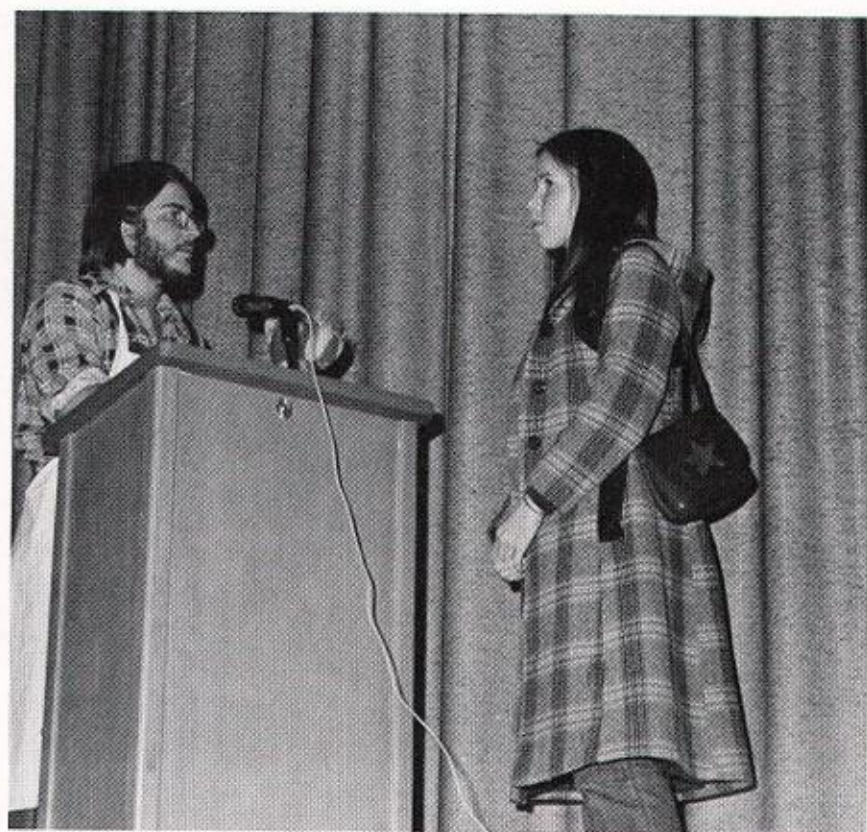

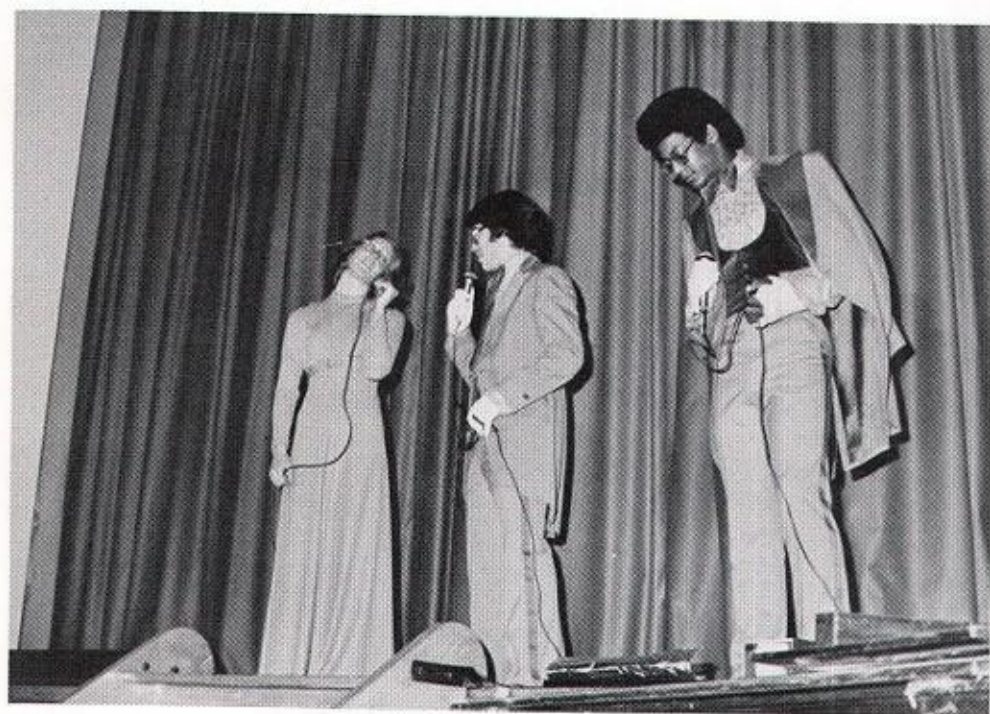

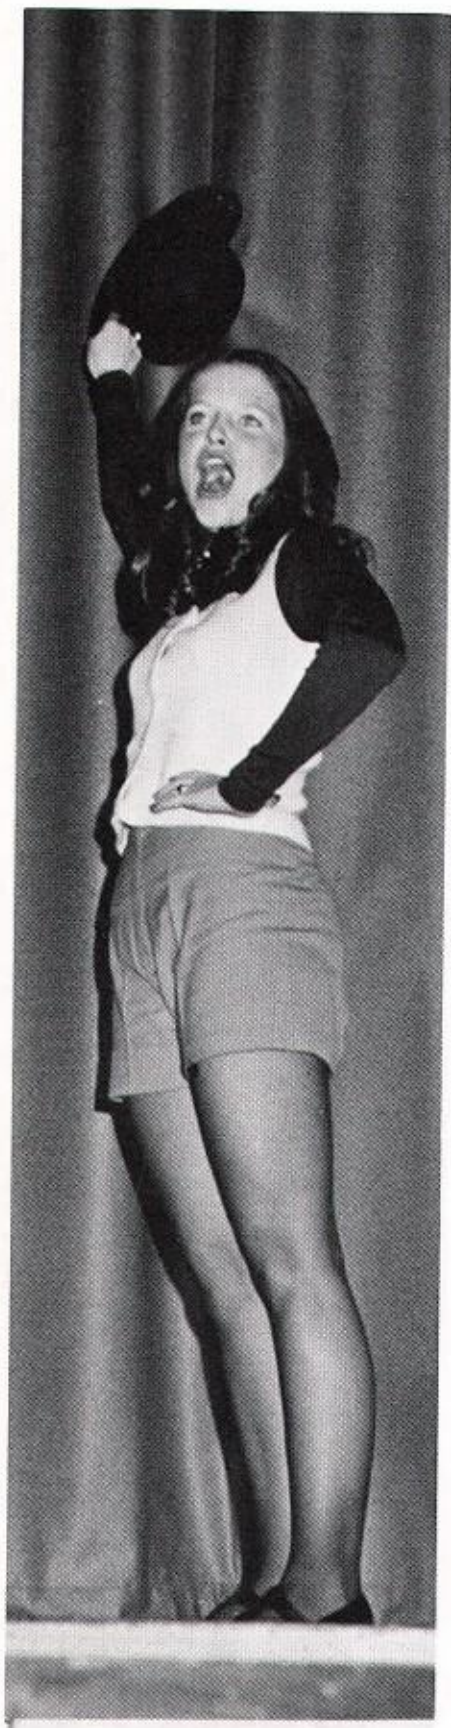

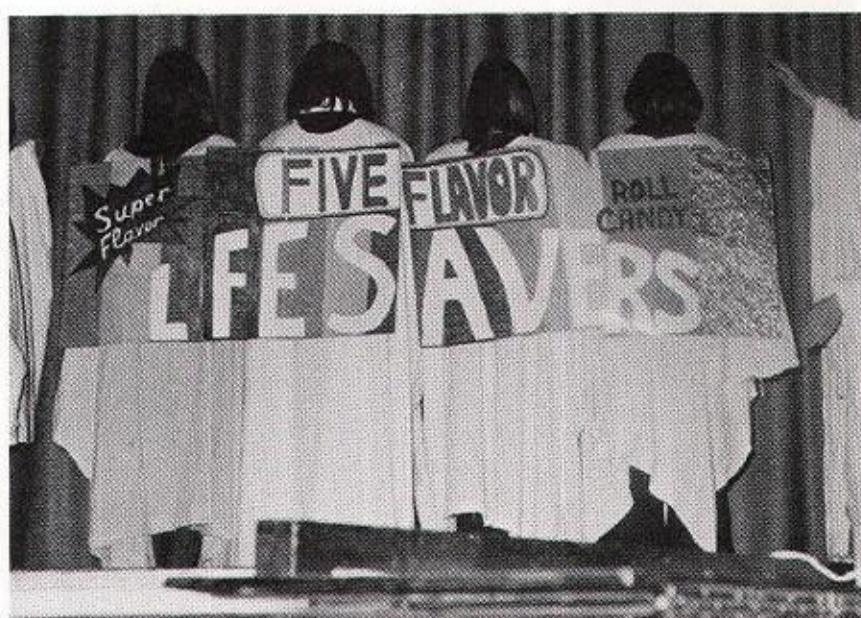

"you're a shining star ...

no matter who you are!"

CROSS COUNTRY: STATE CHAMPS!!!

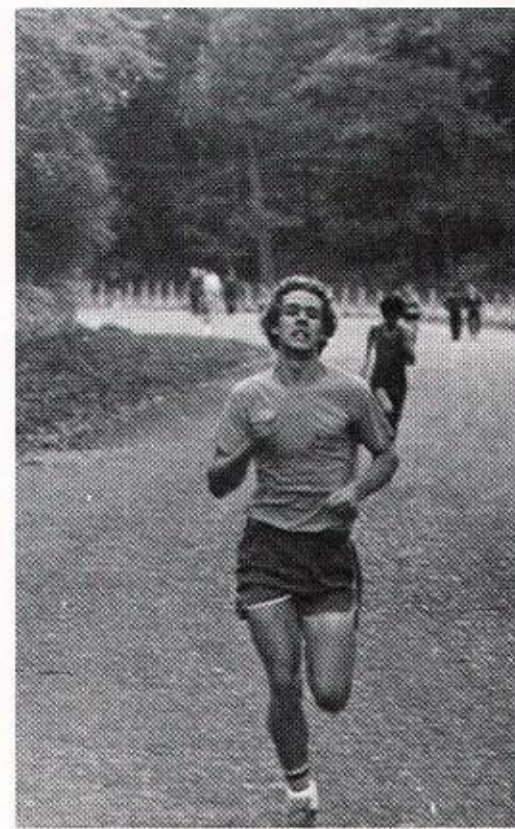

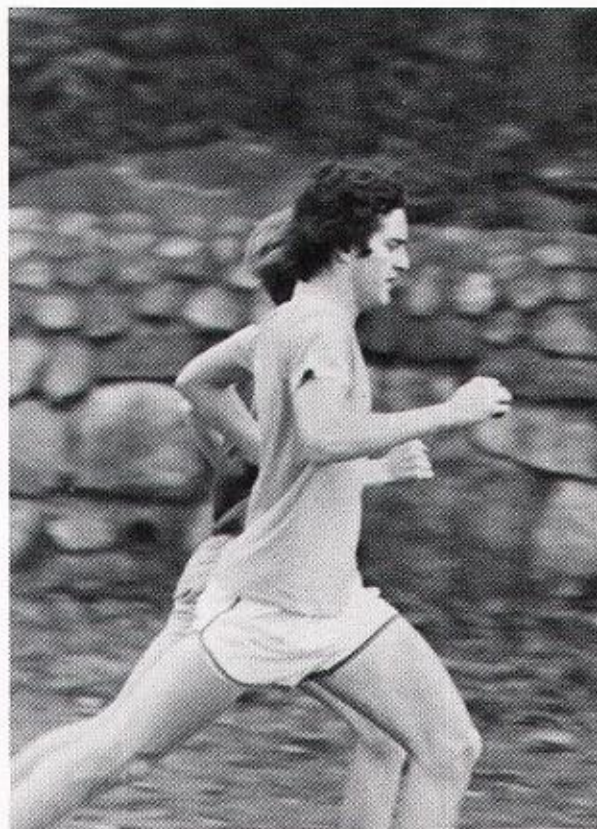

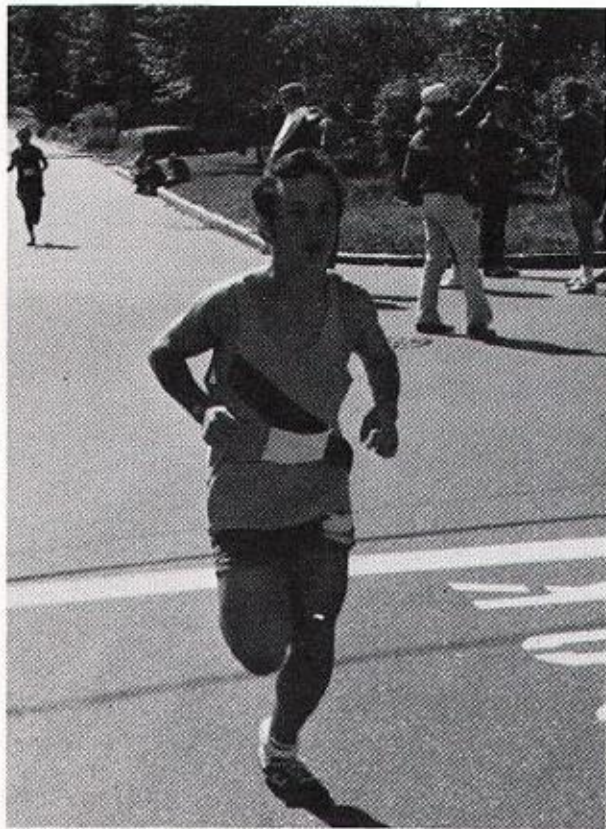

A WINNING TRADITION

The Cross Country Team, under the guidance of Coach Jack O'Rourke, won the league championship for the sixth time in as many years, and secured the State Division V championship for the second time in the last four.

The Mustangs were blessed with one of the best one-two punches in the state, in Senior Captain Joe Clancy and Junior Dennis Siggins. A Senior contingent of John Donahue, Keith Fitzpatrick, and Joe Cahill, comprised the third, fourth, and fifth men respectively, with Jack Pickett and Junior Chris Collins sixth and seventh.

The team was knee deep in good solid runners, going undefeated in league competition, and posting one of the lowest point totals ever, 33 points, in winning the Division V State Championship.

The Marian Varsity Basketball team overcame an apparent lack of experienced players and resorted to a very disciplined style of play in posting a fine 11-9 record. With only one starter returning from last year's squad, the team, although full of desire and hustle, was not expected to do well in the tough Catholic Central League. However, many players developed far beyond all hopes this year. At the top of the list was Senior guard John Madden, who directed the team on the floor. The fact that 75% of all Mustang points scored this year were assisted is evidence of the unselfish team effort displayed in the offense. Likewise, teamwork was the prominent feature in a stifling defense, keyed by hardworking Captain Gerry Ahearn, which allowed an average of only 49 points per game. Ahearn and Junior forward Jimmy Green combined to pull down an average of 25 rebounds a game and showed great poise in settling the team down whenever the need arose.

Although the team lacked a strong offensive threat, many see future promise in Sophomore Kevin Green who began to blossom this season at guard.

Far from being the league doormats this year, the team missed making the State Tournament by only one game. As far as Coach Arnie Andre and his team are concerned, they did what they set out to do, that is, to prove that Marian discipline, defense, and desire were forces to be reckoned with.

HOCKEY: ANOTHER SUPER SEASON

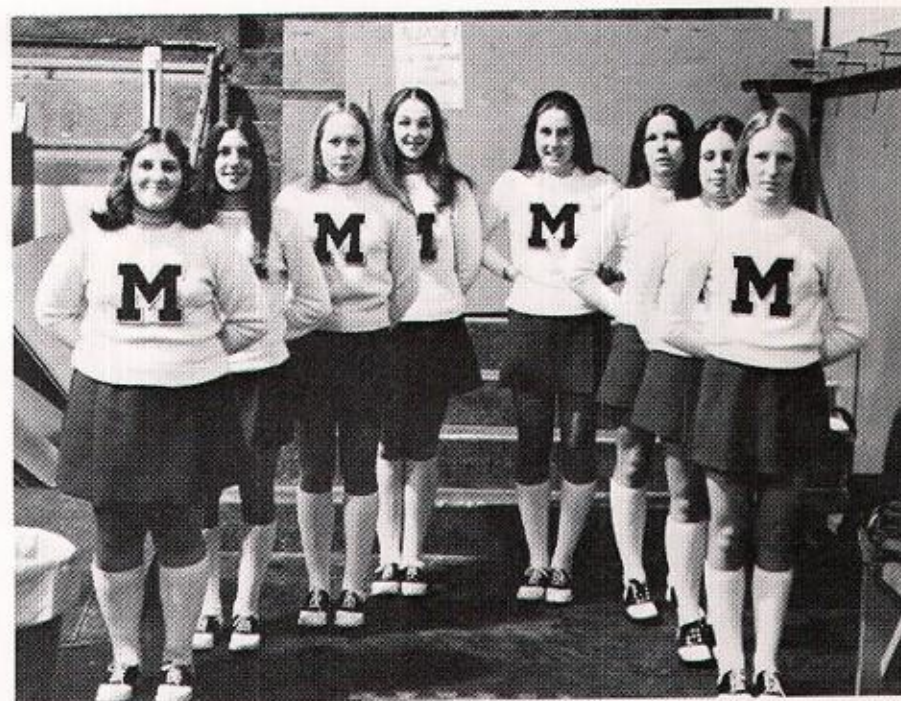

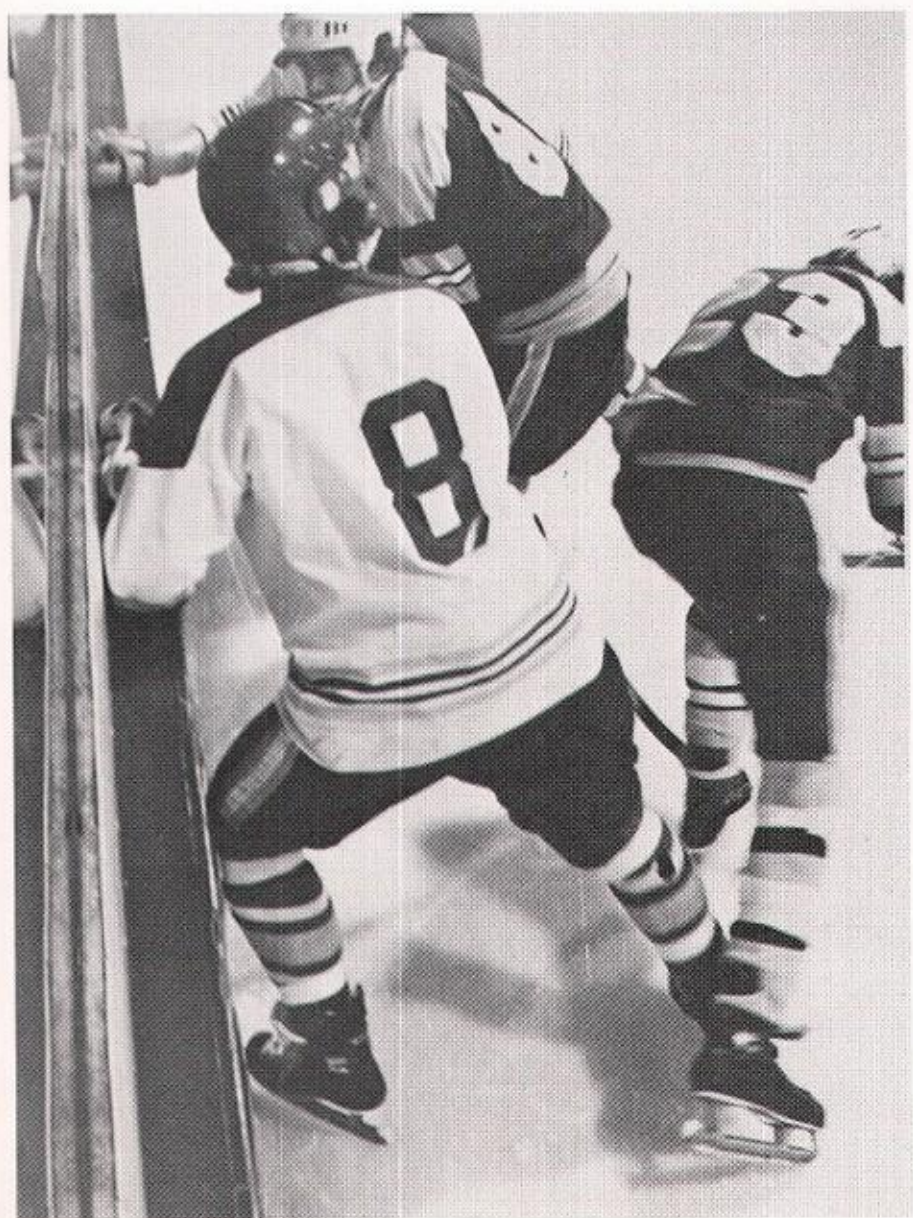

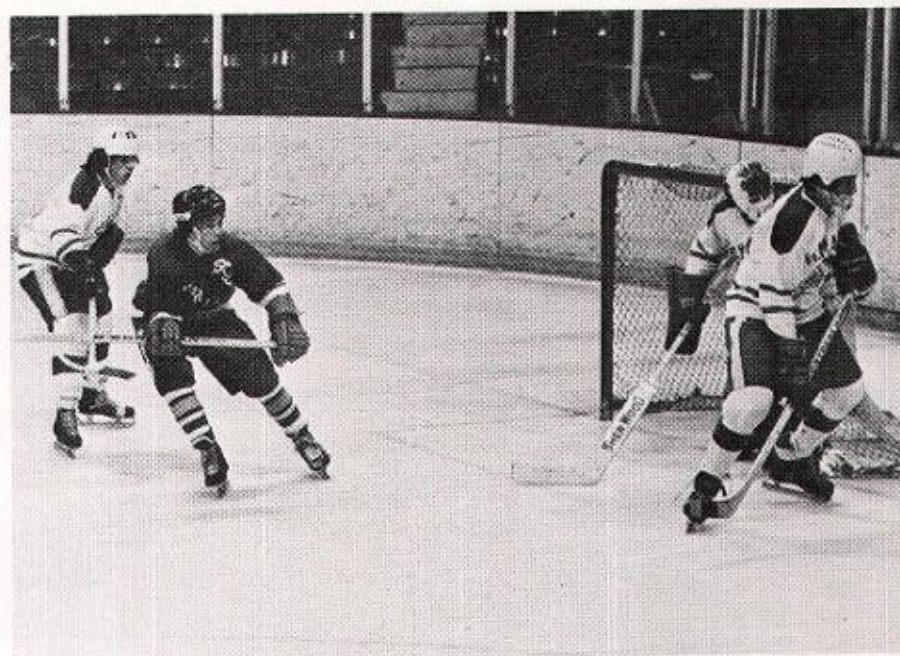

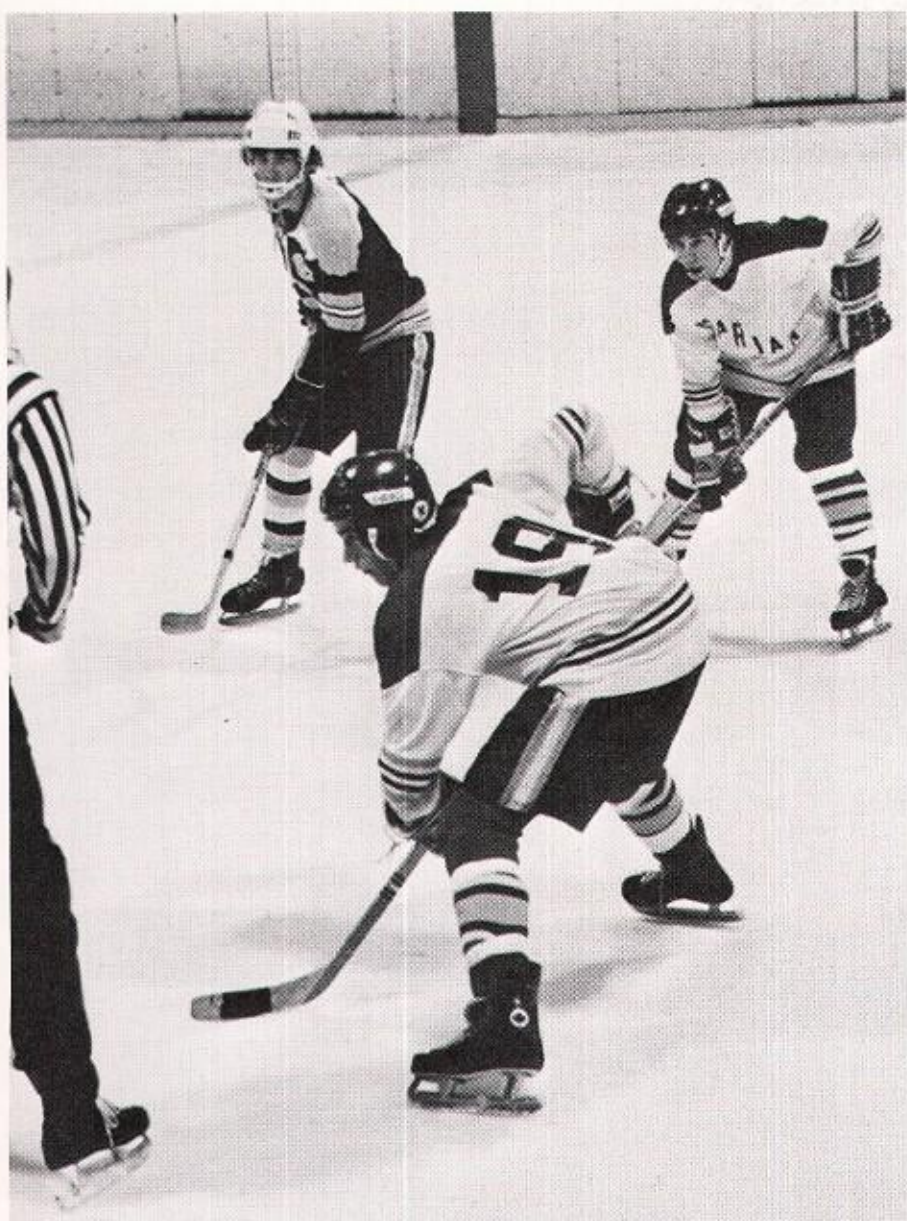

Row 1: M. O'Neill, M. Shay, H. Ellison (Capt), A. J. Moran, M. Brochu, J. Craycroft, B. O'Leary, J. Flynn, K. Fitzpatrick. **Row 2:** Coach Murphy, S. O'Neill, J. Early, S. Ellison, P. Byrne, B. McGrath, D. Langley, K. Moran (Capt), J. Miller, M. Anzivino, Asst. Coach Knapp. Missing: Jeff Janson, Tim Friday.

Under the direction of Coach Steve Murphy and Assistant Coach Rick Knapp, the Marian High hockey team qualified for the State Tournament for the second year in a row. The Mustangs compiled an impressive 18-4 record in the Catholic Central League and finished in second place behind Division 2 semi-finalist Pope John of Everett.

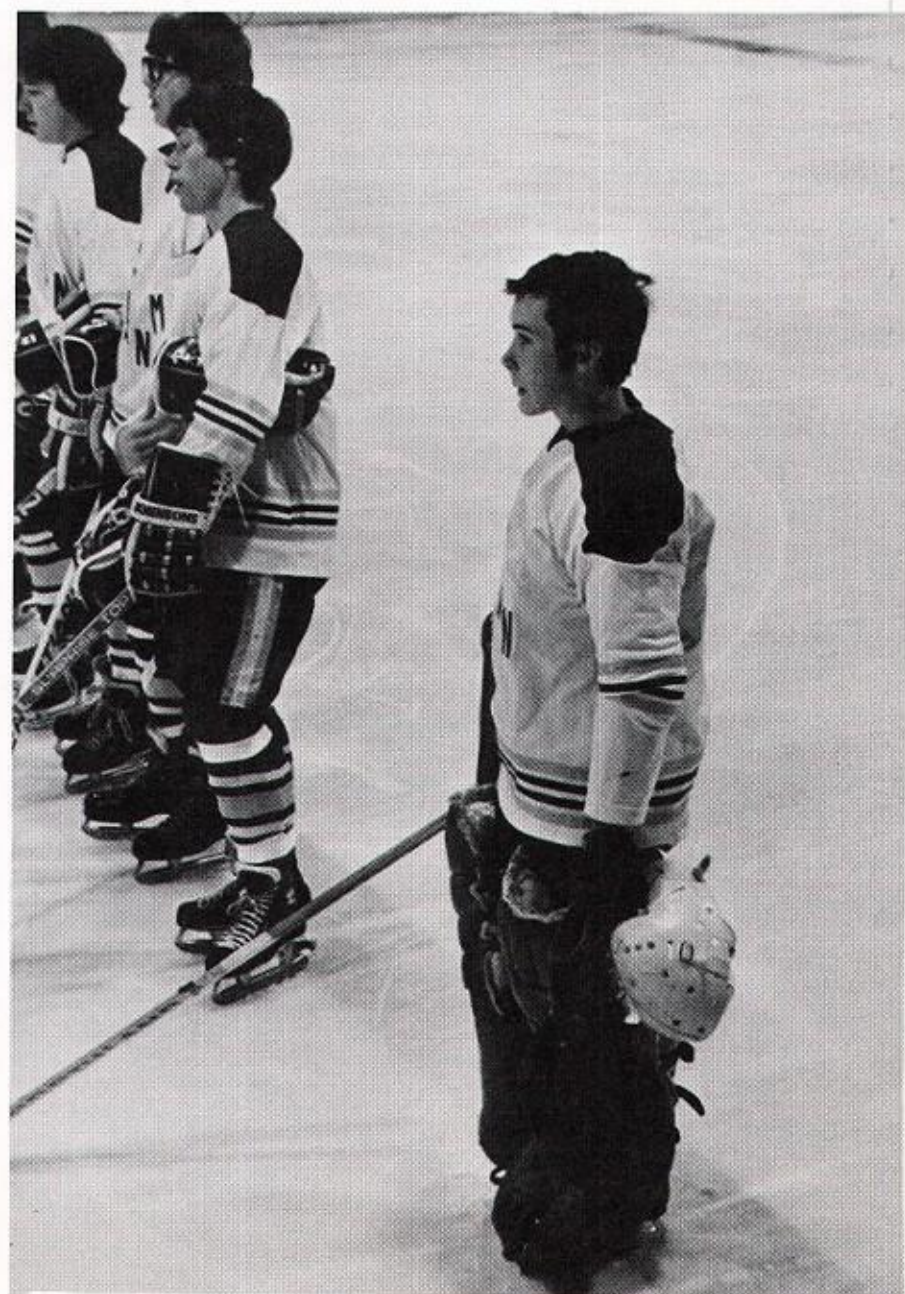

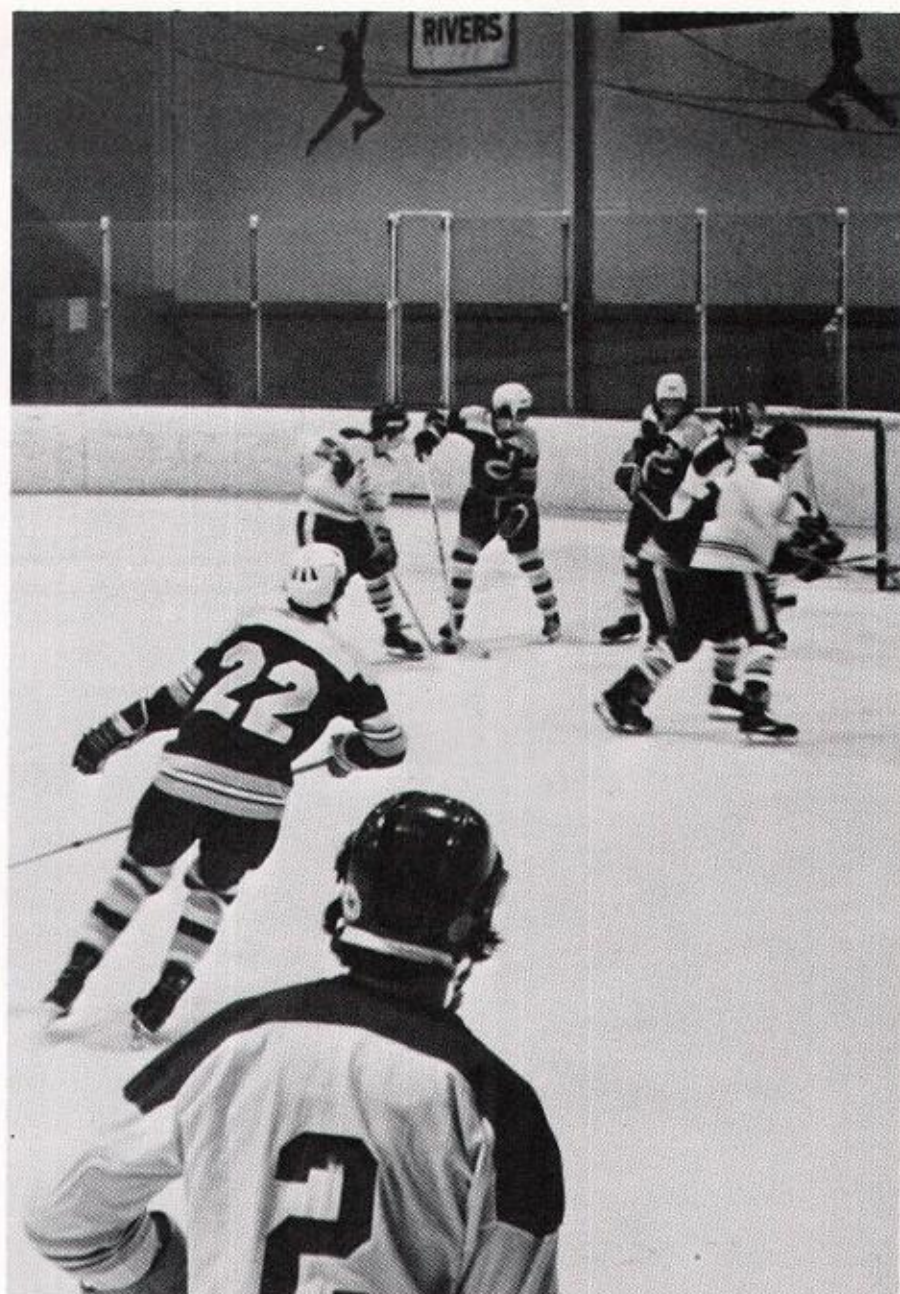

The team ran into hard times late in the season, losing successive games to arch-rivals Pope John and Arlington Catholic. Faced with the prospect of elimination from post-season play, they adopted a "never say die" attitude, overcame their temporary slump and finished the season with six consecutive victories. This momentum carried them through the first game of the tournament as they defeated Abington by a score of 3-2. However, their hopes for a state championship were crushed by a strong Barnstable team in the second round.

Freshmen Mike Anzivino was the Mustangs' leading scorer with 19 goals and 19 assists. He was followed by Juniors Dave Langley and A. J. Moran (34 and 27 pts.) and Sophomore Jay Miller (29 pts.) Senior Keith Fitzpatrick handled the bulk of the goaltending chores and maintained an excellent 2.3 goals against average.

Hockey Cheerleaders: Cheryl Pacitti, Debbie DeSantis, Kathy Moynihan, Tricia Molloy, Ruth Anne Ryan, Sharon Rogan, Julie Gittleson, Joyce Corrado. Missing: Chris Micelotti.

GIRL'S BASKETBALL

Row 1: Peggy Reardon, Emilee Carter, Cathy Burke (Capt), Kathy Mahoney (Capt) Colette Lynch, Margie Senghas. **Row 2:** Cindy Reid, Paula Lewis, Erin Golden, Mary Murray, Sandy Brock, Stephanie Collins, Sr. Lorraine.

class history

Each of us reflects upon his or her years at Marian with fond memories of good times and good friends. Many of these thoughts stem from our participation in the various Marian events and happenings which brought our class closely together. The next few pages are dedicated to recapturing some of the more memorable and meaningful activities we experienced. By revisiting these events we shall attempt to show the growth of unity which made our four years so special, thus preserving some of the spirit that was radiated by the graduating class of 1976.

FRESHMAN YEAR

Our introduction into Marian life was a cookout on the first day of school that was sponsored by the Senior class. This function acted as a catalyst for the formation of new friendships among the one hundred and sixty nervous, uncomfortable Freshmen who entered Marian back in September of 1972. While this cookout served as a welcome into the school, our initiation came later that fall in the form of a "slave week." Each Freshman was appointed to serve as a "slave" to his or her "master." The week was capped by a Saturday night dance which again aided in forming friendships among our new Freshmen classmates.

While we as a class successfully adjusted to the social aspects of high school life, we certainly were not as successful with athletics. The freshman football team fumbled its way to a one win, seven loss season, while the basketball team which considered a postponed game as a success, achieved a four and sixteen won-loss record. Fortunately, there was no freshman baseball team.

As Freshmen entering a totally new environment, we were, and shall remain, very grateful for our acceptance by both the upperclassmen and faculty which made the transition to high school so natural. We ended the year looking ahead optimistically to our future years at Marian.

SOPHOMORE YEAR – THE YEAR OF THE SPIRIT

Principal Sister Lorraine deemed the academic year of 1973-1974 to be "The Year of the Spirit," and, perhaps more than any other class, we Sophomores demonstrated that spirit. The tangible evidence for this claim lay not only in our support given at Marian social functions and athletic events, but also in our performance in the school's fund raising raffle. The Sophomores were awarded a \$500.00 prize for out-distancing all other classes in the drive.

Class officers were elected for the first time, with Gerry Ahearn elected President, Colette Lynch, Vice-President; Emilee Carter, Secretary; and Mike Walsh, Treasurer.

As far as academics are concerned, all Sophomores would agree that the year centered around a single subject – biology. The intricacies of this subject fascinated some of us, sickened others, but definitely challenged everyone.

In the spring, the first exclusively Sophomore event took place as our class advisor, Mr. O'Rourke, chaperoned a field day at the Oblate Seminary in Natick. A cookout and a variety of games were the order of the day. Likewise, Father Guarino also helped the Sophomores illustrate our spirit when he drove a busload of us down to Paragon Park later that spring for a day of "rest and relaxation."

JUNIOR YEAR – THE YEAR OF ACCEPTANCE

As we entered our Junior year, "The Year of Acceptance," we were immediately called upon to exercise this acceptance in two ways. First, we now saw Sister Ellen in the role of Principal as well as a teacher, and we were asked to accept her in this new, demanding position. Secondly, a number of new students had transferred into the Marian community from St. Mary's of Milford and we were asked to ease their transition into totally new surroundings. In both cases, the school in general and Juniors in particular openly welcomed these changes.

Junior Year was a fast-paced, exciting year in many ways. Sadie Hawkins kicked off the social calendar, with the tables turned and all boys fair game for any girl. January brought us the Junior Ring Ceremony, a festive evening that included dinner, Mass, and a semi-formal dance in the gym. However, the highlight of our social year was the Junior Prom, held at the Chateau de Ville. Sharon Rogan was chosen as Prom Queen, with Mary Pat Kelly, Mary Kilty, Peggy Kennedy and Kathy Mahoney comprising her court. The class advisor for the Juniors, Mr. Van Buskirk, was a great help in the planning and execution of these various events, and his time and effort were greatly appreciated.

Voted into office as Juniors were Chris Myron, President; Colette Lynch, Vice-President; Emilee Carter, Secretary; and Mike Walsh, Treasurer.

The spirited side of the class of '76 was best illustrated in two separate ways. The first was our unforgettable large group English classes, during which such orders as "can the clapping" were futile in their attempts to quell the "shenanigans." The other event which captured the liveliness of the Junior class was an end of the year trip to Paragon Park which sent everyone home for the summer in high spirits.

SENIOR YEAR – THE YEAR OF INTERDEPENDENCE

As we returned to Marian in the fall of our Senior Year, we found ourselves thrust into a new and different role. As Seniors we were now called upon to demonstrate leadership and maturity to both the faculty and the underclassmen, while at the same time we looked to them for support in our endeavors and reception to our ideas. This relationship resulted in a healthy atmosphere of interdependence, coincidentally, the theme of the school year.

The first event instigated by the Seniors was the re-introduction of Slave Day. We initiated the Freshman class of 1980 by pairing up with a frosh and, like four years before, found that this interaction served as a successful "icebreaker."

Evidence of the Seniors' willingness to lead by example was personified by our active participation in heading up the Student Council. Colette Lynch, Gerry Ahearn, Nancy Kinlin and Mike Walsh served as the officers for the student government.

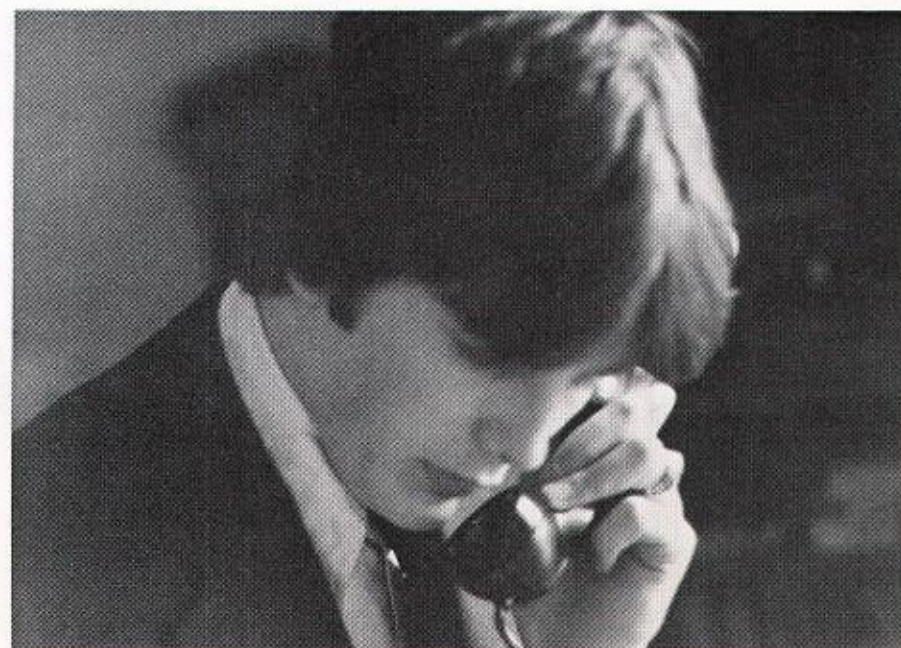

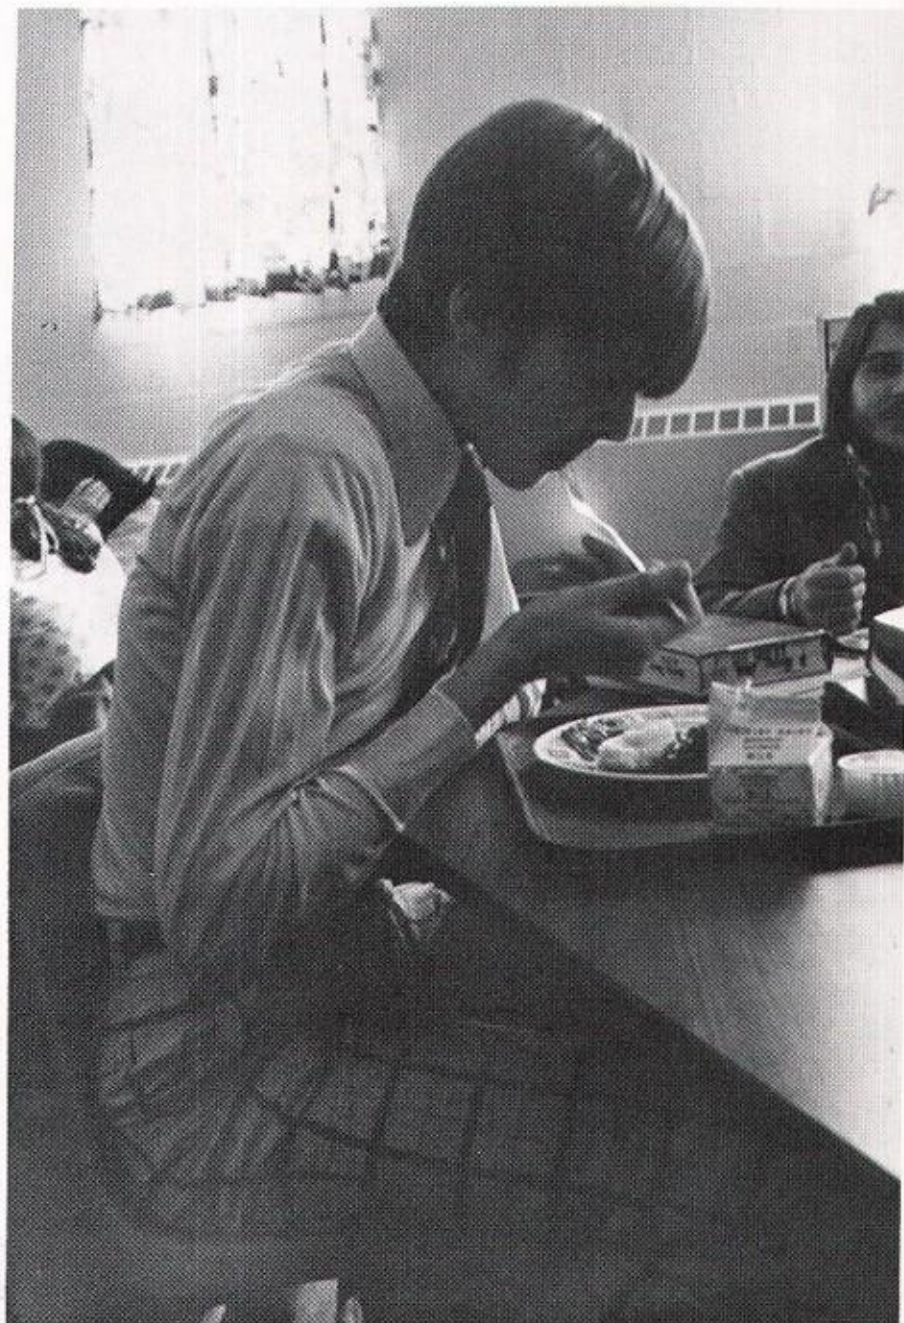

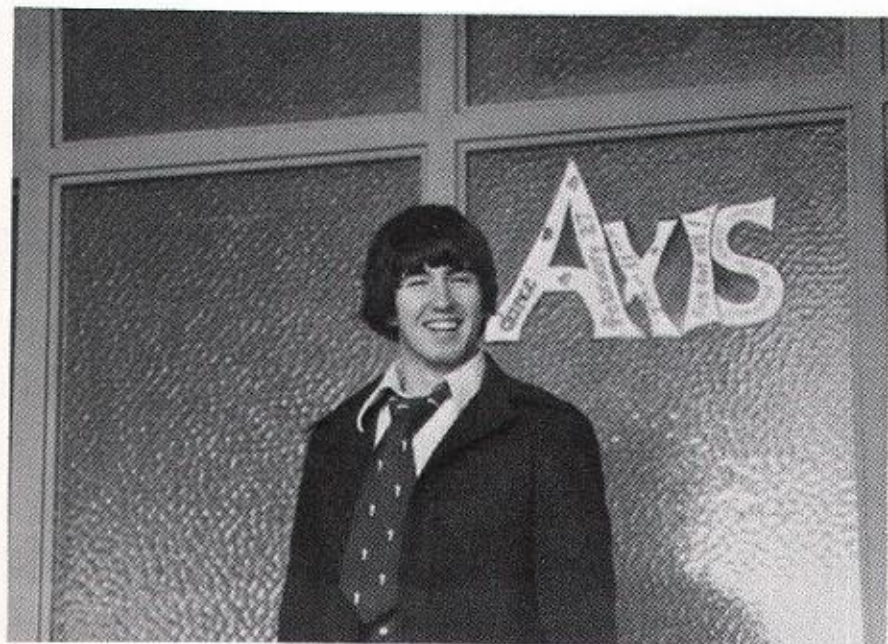

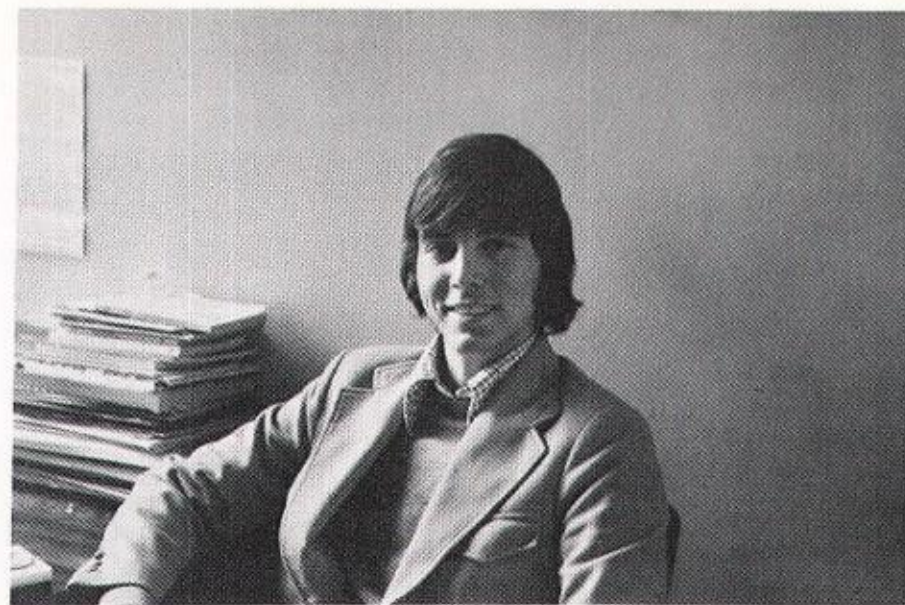

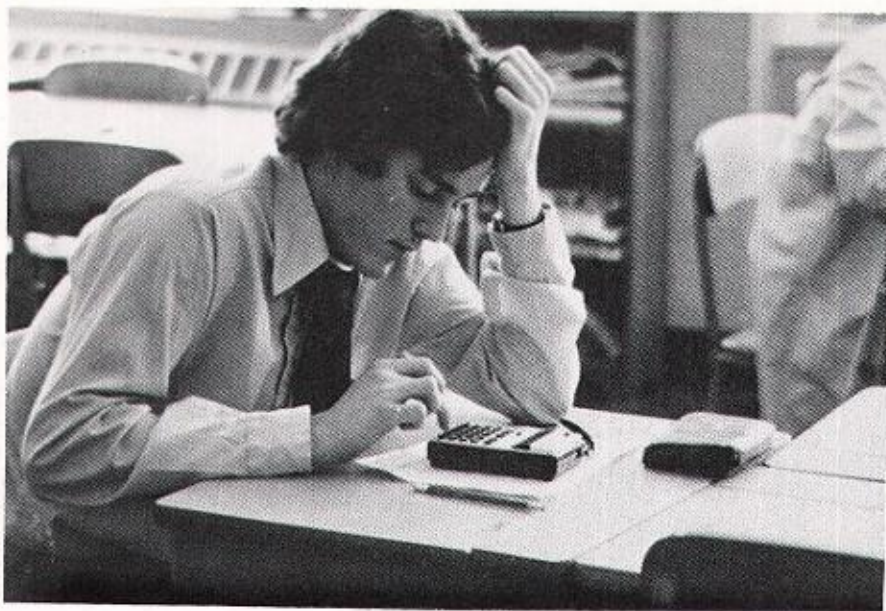

Homecoming Week was highlighted by a Saturday night "Dating Game" which was followed by a record hop in the new-look cafeteria. The following day, at halftime of the Marian – Pope John football game, the Homecoming Queen, Chris Micelotti, was crowned.

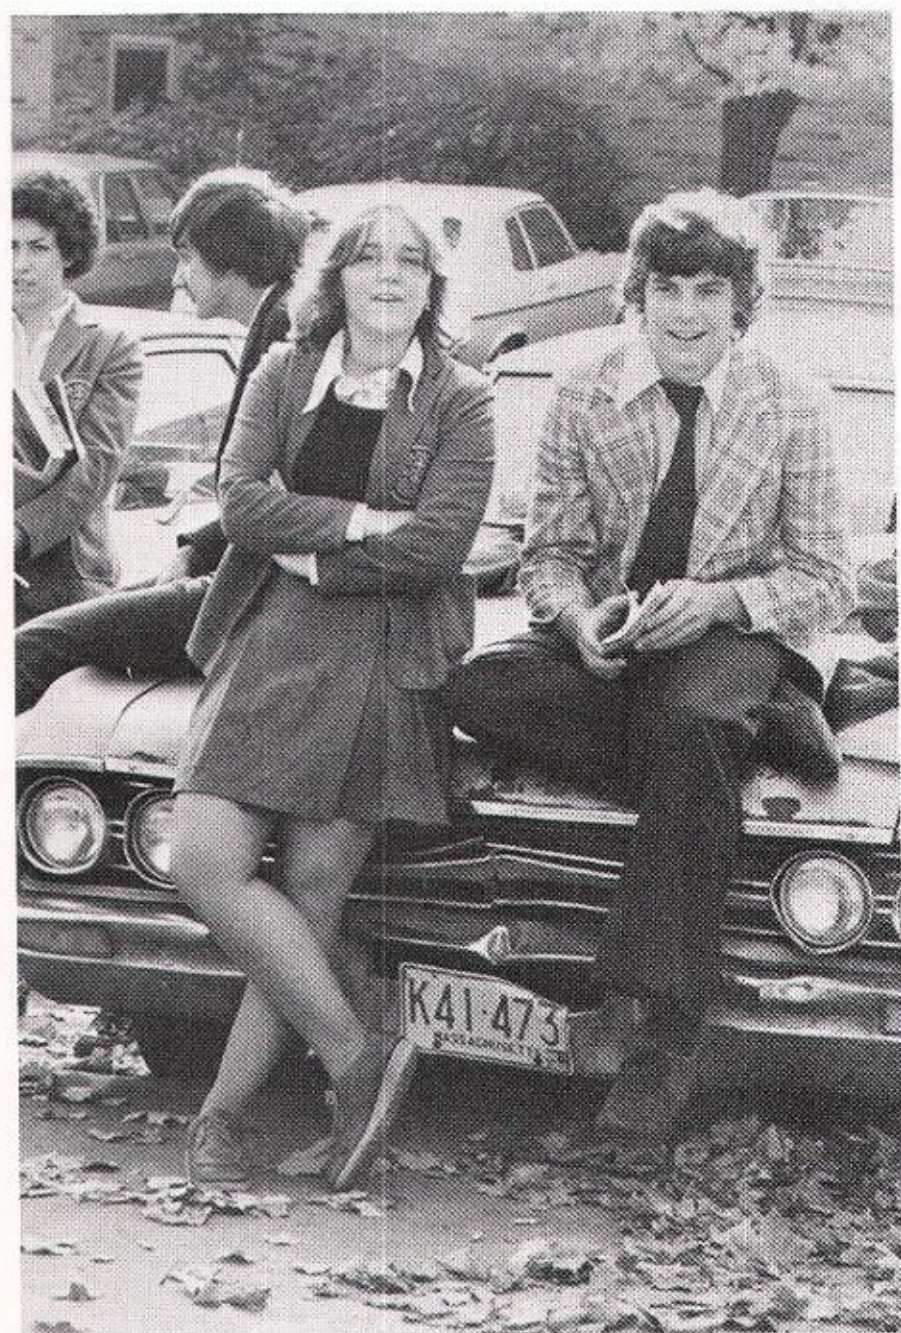

"Shining Star" was the title of the annual Senior Talent Show, and shine we did. Keyed by the student direction of Julie Gittleson and Vernon Smith and the unselfish faculty support of Mrs. Whelan and Mr. Herlihy, the class of '76 collaborated to produce a fine show. A variety of skits, songs and commercials comprised the show, which culminated in the spectacular "Ballad of the Drums" – a drum solo by Chris Myron that was coupled with Alison Taylor's modern dance interpretation. All who either participated in or attended the show must agree that, "we did make it happen!"

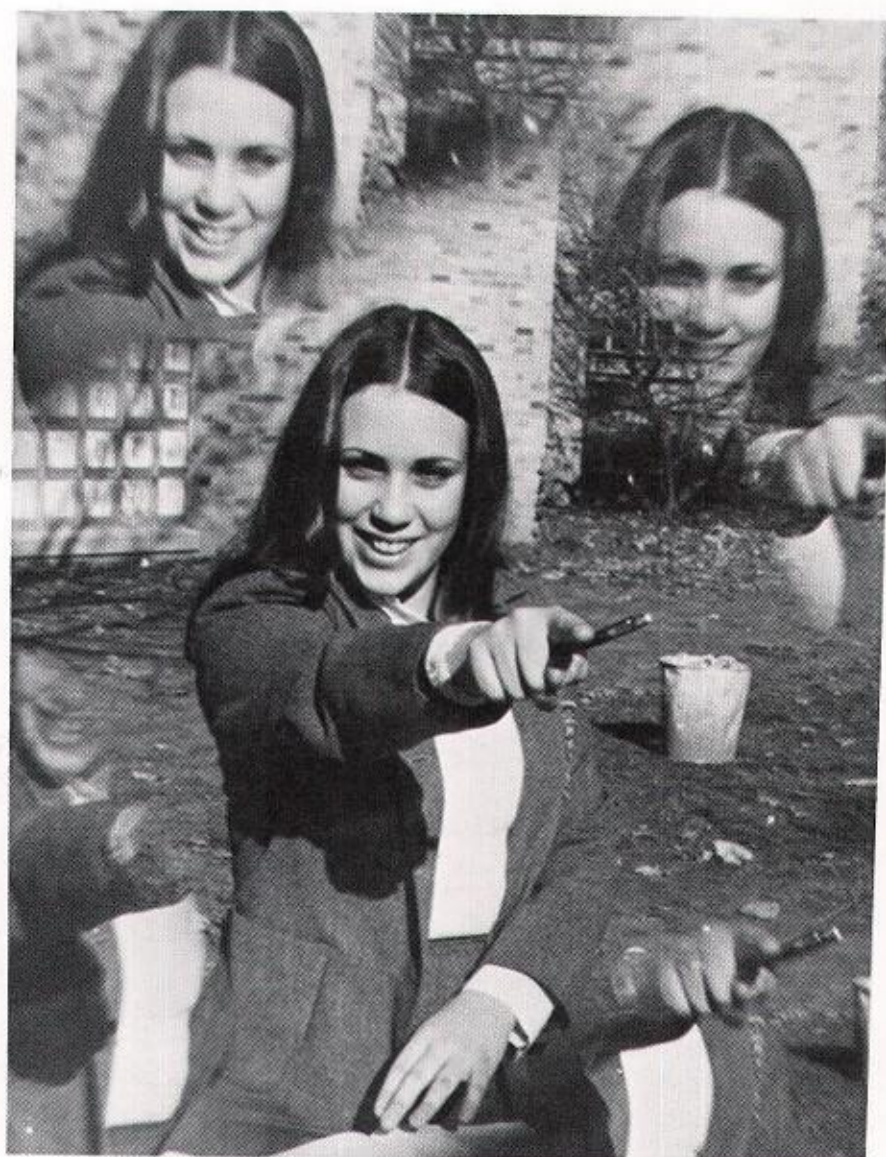

The history of the class of '76 would not be complete without mention of a few other things. The night life, for instance, brings memories of Friendly's and Farm Pond. There were Cotillions and carnivals, mint truffles and marathon weekends. There were our Senior Advisors, who generously gave of themselves to assure that each of us would make the right decision regarding college. There was the immeasurable aid Sister Gail made available, and there was one very special priest, Father Guarino, whose door was always open to our ideas, problems and small talk.

We have met with much more here than just the challenge of academics for we have welcomed the challenge of accepting people in the true spirit of togetherness fostered by the Marian Community. This is the element that will continue to grow outside the walls of M.H.S. This is what Marian has meant to us all.
